

THIS IS A FIXED INDEMNITY POLICY, NOT HEALTH INSURANCE

This fixed indemnity policy may pay you a limited dollar amount if you're sick or hospitalized. You're still responsible for paying the cost of your care.

- The payment you get isn't based on the size of your medical bill.
- There might be a limit on how much this policy will pay each year.
- This policy isn't a substitute for comprehensive health insurance.
- Since this policy isn't health insurance, it doesn't have to include most federal consumer protections that apply to health insurance.

Looking for comprehensive health insurance?

- Visit [HealthCare.gov](https://www.healthcare.gov) or call **800-318-2596** (TTY: 855-889-4325) to find health coverage options.
- To find out if you can get health insurance through your job or a family member's job, contact the employer.

Questions about this policy?

- For questions or complaints about this policy, contact your State Department of Insurance. Find their number on the National Association of Insurance Commissioners' website ([naic.org](https://www.naic.org)) under Insurance Departments.
- If you have this policy through your job or a family member's job, contact the employer.
