RE: Changes to HIPAA Notice of Privacy Practices to Comply with Federal Law

DATE: February 2026

Part of the Health Insurance Portability and Accountability Act of 1996 (HIPAA), known as the Privacy Rule, requires group health plans, like the U.A. Local 13 & Employers Group Insurance Fund plan, to adopt a Notice of Privacy Practices. This Notice of Privacy Practices describes the uses and disclosures the plan can make of your protected health information (PHI) that is created, received, and maintained by the plan in the course of providing health benefits. In addition, the Notice of Privacy Practices explains the legal obligations of the plan and your legal rights regarding the PHI held by the Plan.

The Privacy Rule also requires plans to make available to all participants their Notice of Privacy Practices and, when material changes are made to such Notice of Privacy Practices, send a timely communication describing such materials changes.

Effective **February 16, 2026**, the U.A. Local 13 & Employers Group Insurance Fund's Notice of Privacy Practices has been materially changed to comply with changes made by law, specifically to:

- 1. Incorporate additional protections for substance use disorder treatment records.** In relevant part, there are specific limitations on how we can use or disclose records of your identity, diagnosis, prognosis, or treatment maintained in connection with the performance of any program or activity related to substance use disorder education, prevention, training, treatment, rehabilitation, or research, which was conducted, regulated, or directly or indirectly assisted by any federal department or agency (Part 2 records).

Part 2 records, or testimony relaying the content of such records, will not be used or disclosed in any civil, administrative, criminal, or legislative proceeding against you unless based on specific written consent or a court order after notice and an opportunity to be heard is provided to you. A court order authorizing the use or disclosure must be accompanied by a subpoena or other legal requirement compelling disclosure before the requested record is used or disclosed.
